Christian Church

Dear Brothers and Sisters,

Many of you have come forward with ideas that could help the parish function more efficiently, and requests that could make our efforts to serve Christ and our community more fruitful. In response the Parish Council proposes this format to help advance these ideas and requests.

Please explain in detail what your idea is, how it could be implemented, and what part you would play in making it happen. Find another parish member to help you develop the ideas, and ways you can implement them.
